ABOUT THE DFW HUMANE SOCIETY

The DFW Humane Society is a nonprofit 501(c)3 organization founded in 1967. **We are a no-kill shelter dedicated to giving homeless and unwanted pets a second chance in life through adoption.**

We house approximately 80–100 animals at any given time and take in strays and owner-released pets from the DFW Metroplex. We do not receive any state or federal funding so we depend solely on caring people for our survival.

We represent the first collaborative agreement in Texas between a municipality (the City of Irving) and a non-profit agency (the DFW Humane Society) to share a facility to bring expanded adoption opportunities to stray, unwanted or owner-released animals. To continue our efforts to provide the highest standard of care for the animals, we need your help. You can put your paw print anywhere on the shelter: the reception area, the exam room, a dog run, or an individual cage. You can honor a loved one, remember a pet, or simply celebrate the work of the DFW Humane Society by becoming a sponsor of the shelter. An engraved plaque will be placed in your chosen area. Sponsorship levels are listed on the other side of this brochure.
