FOSTER FOCUS

**Forever
 Faithful
 Companion**

are the best words to describe this little girl. **Matylda** would like the chance to be your new shadow. This girl is loyal and sweet. She'll show you her tricks like sit, shake hands and lay down. She spends most of her time wagging her tail and being affectionate to those around her. She is a good listener and always wants to please. Perfectly sized, not too big or too small, Matylda would adjust nicely in an apartment or a home. She's got lots of energy and would be a great walking or running partner. She'll play when you want to play and snuggle right next to you when you are sleeping. Matylda is housebroken, crate trained and walks nicely on a leash. Although she would be most comfortable in a home without animals, she is living with 3 other foster dogs to help her learn to get used to and socialize with other animals. Please contact DFW Humane Society at 972-253-3333 for a chance to meet this sweet girl in person.
